**ENCLOSURE 1**  
**PROTOCOL ON SAFETY REQUIREMENTS AND RULES**

## Introduction

This Protocol on Safety Requirements ("Protocol") defines in more detail and determines the requirements and rules of use of Services with an aim of ensuring a safe and smooth enjoyment of attractions within Zabavni park, i. e. a proper and safe method of use of the space, devices and equipment in Zabavni park for the ultimate purpose of prevention of potential accidents, injuries of Service Users and possible damage done to the property of the Company and Users.

Zabavni park is functionally divided into two units, (i) Jumping and Adventure Zone and (ii) Playground, containing attractions of varied content to which apply various rules and requirements for their use in accordance with the Protocol provisions.

### 1. GENERAL RULES APPLYING TO ZABAVNI PARK

- 1.1. Users are obliged to comply with all requirements and rules stipulated therein, including oral instructions of Zabavni park staff aimed primarily at protection of life and health of Users, as well as prevention of causing possible damage to the property of Zabavni park visitors, Users and the Company.
- 1.2. Enjoyment of Zabavni park attractions is exclusively on one's own responsibility and any parent or accompanying person of the User shall be responsible for that User of Zabavni park Services, whereby:
  - a) Use of Zabavni park Services is allowed only after prior familiarization with safety requirements, conditions and instructions given by the staff relating to a proper and safe use of Services;
  - b) Entering Zabavni park area and use of the Services is possible only with wearing rubber grip socks preventing slipping and sliding, available at the reception area of Zabavni park;
  - c) When using the content and attractions of Zabavni park it is recommended to wear light sportswear and it is not recommended to use Zabavni park services immediately after meal;
  - d) Instructions given by the Zabavni park manager and staff in the course of using Zabavni park Services are obligatory for the Users, i. e. the Users are obliged to comply with them without exception;
  - e) Jewellery, sharp objects, belts, coins, watches and other accessories including the objects

Users have with them (e. g. in trousers pockets, tracksuits etc.) should be left aside prior to entering Zabavni park content and attractions area;

- f) For an unimpeded use of devices and Equipment of Zabavni park, Users should at any time have control of their body, whereby it is important for the Users not to exceed the limits of their physical abilities;
  - g) It is forbidden (i) to enter the area in footwear, underwear or with naked torso, as well as wearing wet clothes, (ii) to have while using the equipment any object in the mouth (e. g. *chewing gum, sweets, piercing etc.*), as well as wearing sun glasses or eyeglasses, (iii) to bring food and drinks in the device and equipment area, (iv) to use alcohol, drugs and any other substance affecting psychophysical and motor abilities while using the Services, i. e. Zabavni park contents, (v) to use mobile phone or any other device of similar purpose while using Zabavni park devices and Equipment;
  - h) If the User is tired or there are indications of tiredness, a short break is recommended in the Zabavni park room provided for that;
  - i) Entering Zabavni park attraction areas and using Zabavni park Services is not allowed to physically handicapped persons, persons with pain in the back, neck, knees or joints, heart issues, respiratory issues, pregnant women, as well as persons with fractures, sprains or strains.
- 1.3. If the provisions of the Protocol relating to individual Services of Zabavni park provide for individual and/or additional rules in addition to those stipulated in this article, such individual and/or additional rules shall be applicable as well.
- 1.4. Zabavni park staff members are entitled and reserve the right to require from any User to leave the premises of Zabavni park without a possibility of being refunded the ticked price in the following cases:
- a) If the User continues to break the rules or instructions given by Zabavni park staff members after being warned orally twice to comply with the rules or instructions;
  - b) For using the devices and equipment in the manner deemed to be unsafe if, after being warned, that User continues with improper and unsafe use of Zabavni park devices and equipment;
  - c) If it is apparent to Zabavni park staff members that the User is under the influence of: (i) alcohol, (ii) banned substances or (iii) medicine that significantly diminish that User's ability to

safely enjoy Zabavni park activities;

- d) If the User brings to Zabavni park area an object, material or substance estimated by the staff to pose threat to other Zabavni park Users or visitors, persons or property in Zabavni park area and fails to remove them without delay after being orally warned by a Zabavni park staff member to do so.

- 1.5. Zabavni park Visitors and Users are obliged to take care of their belongings in an appropriate way. The Company is not obliged to take care of the property of Zabavni park visitors and Users. The Company cannot and will not be responsible in any way for a possible loss or damage to the belongings of Zabavni park visitors and Users during their stay in Zabavni park premises.

## **2. REQUIREMENTS TO BE MET WHILE USING SERVICES IN JUMP AND ADVENTURE ZONE**

### **2.1. Age**

- 2.1.1. Users who are persons of age and minor persons above the age of 14 (*fourteen*) may use Services within Jump and Adventure Zone independently after signing the Statement.
- 2.1.2. Users who are minors between 14 (*fourteen*) and 10 (*ten*) years of age may use Services within Jump and Adventure Zone independently after signing the Statement by a parent or legal representative.
- 2.1.3. Users who are minors below the age of 10 (*ten*) and older than 6 (*six*) may use Services within Jump and Adventure Zone independently provided a parent or legal representative gives an explicit approval for independent use of Services by a minor of the stated age and after signing the Statement.
- 2.1.4. Users below the age of 6 (*six*) and older than 3 (*three*) may use Services within Jump and Adventure Zone only in the presence of a parent or legal representative which primarily implies the control of the conduct and jumps of the User by a parent or legal representative after the parent / legal representative has signed the Statement.
- 2.1.5. Users below the age of 3 (*three*) are not allowed to use Services within Jump and Adventure Zone, i.e. they may not use Services within Jump and Adventure Zone neither independently nor in the presence of a parent or legal representative.

2.1.6. If the provisions of the Protocol provide for different age of Users allowed to use Services within Jump and Adventure Zone, the requirements stipulated individually relating to the eligible age for specific Services within the Jump and Adventure Zone shall be applied.

### 3. **RULES AND REQUIREMENTS FOR THE USE OF INDIVIDUAL SERVICES IN JUMP AND ADVENTURE ZONE**

#### 3.1. **Trampoline use rules**

3.1.1. In addition to the general requirements and rules relating to trampoline Services within Jump and Adventure Zone, the following rules shall also apply:

- a) Only Users whose weight does not exceed 120 kg may jump on the trampoline;
- b) Only one User may use one trampoline. It is strictly forbidden that two Users jump together at the same time on the trampoline, as well as stepping into the area where another User already is. If other User enters the jump area, the User is obliged to stop using the device and equipment;
- c) When landing or stopping, the User needs to have her/his knees mildly bent while stopping is done by gradual shortening the jump height against obligatory use of both feet when landing;
- d) Users are obliged to jump on the central part of the trampoline;
- e) The User is obliged to take care and pay attention to other Users around him/her to avoid or prevent possible injuries that might be inflicted by hitting other visitors or Users;
- f) The following activities are strictly forbidden:
  - to land head-, shoulder- or arms-first, or any other part of the body, which inevitably results or might result with high likelihood in User being inflicted an injury;
  - to jump from the trampoline on the hard surface outside the device and equipment area;
  - to lay and run on the trampoline;
  - rough and dangerous actions/games such as dragging, pushing and tripping up other

- Users, as well as any other similar inappropriate actions which may result in injuries;
- to perform double saltos of whatever type;
  - to climb protective nets or hang on them.

### 3.2. **Rules and requirements for using high performance trampoline**

3.2.1. In addition to the general requirements and rules applying to the Services on high performance trampolines within Jump and Adventure Zone, the rules stipulated in Article 3.1. thereof shall also be applicable unless other than that is exceptionally stated in this article.

3.2.2. High performance trampolines are not intended for users below the age of 6 (six).

### 3.3. **Rules and requirements for using sponge pools**

3.3.1. In addition to the general requirements and rules applying to the Services in sponge pools within Jump and Adventure Zone , the following rules and requirements shall also applicable

- a) The sponge pool is not intended for Users shorter than 108 cm and weighing more than 110 kg;
- b) The sponge pool is forbidden for Users below the age of 6 (six);
- c) Prior to jumping in the sponge pool all Users are obliged to make sure there are no other persons in it;
- d) It is allowed to jump in the sponge pool exclusively with both feet or bottom-first;
- e) Diving is forbidden;
- f) Doing any type of salto is forbidden, as well as rough and dangerous movements/games;
- g) After jumping in the sponge pool the User is obliged to get out of it immediately.

### 3.4. **Rules and requirements for using air bag**

3.4.1. In addition to the general requirements and rules applying to the air bag Services within Jump and Adventure Zone, the following rules and requirements shall also be applicable:

- a) Air bag is not intended for Users below the age of 6 (six);
- b) Prior to jumping on the air bag the Users are obliged to make sure the landing area is free, i. e. there is no other User on that part of the air bag;
- c) Air bag jump may only be bottom- or back-first;
- d) Neck- or head-first landing is forbidden and diving is strictly forbidden;
- e) After landing all Users are obliged to leave the air bag immediately;
- f) Air bag walking is forbidden;
- g) Users are obliged to wait for their turn to jump;

### 3.5. Rules and requirements for using Ninja Course

3.5.1. In addition to the general requirements and rules applying to Ninja Course Services within Jump and Adventure Zone, the following rules and requirements are also applicable:

- a) Ninja Course is not intended for Users below the age of 6 (six);
- b) To avoid possible bumping into each other, only one User may be on each obstacle at a time;
- c) Running within Ninja Course attraction is forbidden;
- d) Users are obliged to wait for their turn to pass an obstacle, i.e. for a previous User to finish passing an obstacle;
- e) Beam climbing is forbidden, as well as passing Ninja Course backward;

- f) In case of possible falling down, Users are advised to land on feet;
- g) Landing back-, neck- or thorax-first is forbidden.

### 3.6. Rules and requirements for climbing walls and poles

3.6.1. In addition to the general requirements and rules applying to wall and pole climbing within Jump and Adventure Zone, the following rules and requirements are also applicable:

- a) Climbing walls is not intended for Users below the age of 6 (six);
- b) The attraction may be used by the Users weighing not less than 20 kg and not more than 120 kg;
- c) Users must wear safety belt and helmet all the time;
- d) Users are not allowed to use the attraction without a prior permission of the Zabavni park staff, check and confirmation that all safety requirements are met. Prior to using the attraction, the staff of Zabavni park is obliged to check if safety belt is fastened and buckled appropriately;
- e) Only one User may use a climbing route at a time;
- f) Staying within the safety area of an individual climbing the route is forbidden;
- g) It is forbidden to hang upside down on climbing walls.

### 3.7. Rules and requirements for using the ropes course

3.7.1. In addition to the general requirements and rules applying to the Services of using the ropes course within Jump and Adventure Zone, the following rules and requirements are also applicable:

- a) When using the ropes course attraction Users must wear safety belt and helmet;

- b) The attraction may be used by the Users of 7 (seven) years of age as a minimum and weighing up to 90 kg;
- c) Users are not allowed to use the attraction without a prior permission of the staff, check and confirmation that all safety requirements are met. Prior to using the attraction, the staff of Zabavni park is obliged to perform a detailed check for safety reasons;
- d) Rough and highly risky movements are strictly forbidden;
- e) Users are strictly forbidden to touch the tow safety system above their heads, as well as to change the helmet or tow rope without permission;
- f) While using the attraction, Users have to take care to be followed by the safety cart. If they get stuck for a moment they should pull the safety rope in front of them with their hands to make the cart move forward;
- g) While using the attraction Users should wait patiently. Next User may start the game only after the previous one leaves the landing field.

### 3.8. Rules and requirements for using the warped wall

3.8.1. In addition to the general requirements and rules applying to the Services of using the warped wall within Jump and Adventure Zone, the following rules and requirements are also applicable:

- a) Warped wall is not intended for users below the age of 6 (*six*);
- b) Only one User is permitted to be on one route;
- c) It is forbidden to climb metal joists;
- d) Slider climbing is forbidden.

### 3.9. Rules and requirements for using the slam dunk zone

3.9.1. In addition to the general requirements and rules applying to the slam dunk zone Services within Jump and Adventure Zone, the following rules and requirements are also applicable:

- a) Only one User on one trampoline at a time is allowed;
- b) Ball kicking is forbidden;
- c) Hanging on a breakaway rim is forbidden;
- d) Dunk attempts should be made only within the limits of User's skills.

### 3.10. Rules and requirement for using dodgeball attraction

3.10.1. In addition to the general requirements and rules applying to the dodgeball attraction Services within Jump and Adventure Zone, the following rules and requirements are also applicable:

- a) The game starts with equal number of players and balls in each team;
- b) The number of team members is determined on the basis of the number of persons present on the court;
- c) The team that eliminates all other team players is the winner;
- d) Referee decision is final and cannot be challenged;
- e) Players may not cross or enter the neutral zone dividing two sides of the court;
- f) Players out of the game are obliged to leave the court immediately and wait for the next game to start;
- g) Players may be asked to leave the court and in some cases even Zabavni park due to:
  - use of offensive or vulgar words;
  - taking part in physical conflict;
  - disobeying or ignoring instructions given by Zabavni park staff.

### 3.11. Rules and requirements for using the trapeze

---

3.11.1. In addition to the general requirements and rules applying to the use of trapeze within Jump and Adventure Zone, the following rules and requirements are also applicable:

- a) Users below the age of 6 (six) are not allowed to use the trapeze;
- b) This attraction may be used by one User at a time;
- c) Prior to using this attraction Users should be well warmed up;

**ENCLOSURE 2**

### **INFORMATION ON USERS' PERSONAL DATA PROCESSING**

These Information are aimed at familiarizing Users of *Trambolina centar* entertainment and recreation space on personal data processing in accordance with the Law on Protection of Personal Data (LPPD).

## 1) OPERATOR'S IDENTITY AND CONTACT DATA

Skakaonica d.o.o. Beograd, the owner of *Trambolina centar* (**Skakaonica** or **Operator**) processes *Trambolina centar* Users' personal data and it is responsible for their processing.

Skakaonica contact data are:

Skakaonica d.o.o. Beograd-Savski venac  
Vojvode Milenka 8/25, 11000 Beograd  
Tel.: +381 668668806  
e-mail: info@skakaonica.rs

## 2) WHAT TYPE OF PERSONAL DATA DO WE PROCESS, FOR WHAT PURPOSE AND ON WHAT LEGAL GROUNDS?

For the purpose of provision of sports and recreational services and use of *Trambolina centar* contents, Skakaonica processes the following Users' personal data: first name and surname of a minor person, parent or other legal representative, address and contact telephone of a parent or other legal representative in accordance with the contract between Skakaonica and the User (Article 12, par. 1, item 2 of LPPD).

In addition to that, Skakaonica processes your personal data: first name and surname and contact data (e-mail, telephone) for the purpose of informing you on sports and recreational services and contents of *Trambolina centar*, which constitutes a legitimate interest of Skakaonica to provide user support services (Article 12, par. 1, item 6) of LPPD).

Skakaonica also processes your e-mail address data for marketing purposes if you give your consent to use this data for the intended purpose (Art. 12, par. 1, item 1 of LPPD, Art. 63 of the Law on Advertising and Art. 38 of the Law on Consumer Protection).

Skakaonica also processes CCTV data for the purpose of safety of persons and property as the safety of Users of *Trambolina centar* and property in it is its legitimate interest in accordance with (Art. 12, par. 1, item 6) of LPPD.

## 1) RECIPIENTS OF PERSONAL DATA

Skakaonica shall not share personal data with other recipients except with the provider of video surveillance services which, in the capacity of processor, maintains the video surveillance system.

## 2) PERIOD OF KEEPING PERSONAL DATA

Skakaonica processes your personal data for the above stated purposes within legal deadlines.

Camera recordings of *Trambolina centar* Users shall be kept 30 days by Skakaonica.

## 3) RIGHTS OF PERSONS TO WHICH THE DATA RELATE

Your rights with regard to the personal data processed by Skakaonica in accordance with this Notification are as follows: right to access, right to correction and amendment, in certain cases right to deletion and restricted processing, right to data transfer and right of objection.

In addition to that, you may at any time lodge an objection to the Ombudsman for Information of Public Interest and Personal Data Protection if you are of opinion that personal data processing is not in accordance with the Law on Protection of Personal Data.

#### 1) RIGHT OF OBJECTION AND CONSENT WITHDRAWAL

You may at any time make an objection or withdraw your consent relating to data processing done for the purpose of direct marketing.

#### 2) OBLIGATION TO GIVE DATA

Giving User's personal data – first name and surname of a minor, parent or other legal representative, address and telephone number of parent or other legal representative is a necessary requirement for the conclusion of contract on the use of sports and recreational services and contents of *Trambolina centar*.

Refusal to give data for the stated purposes might result in non-conclusion of contract with Skakaonica, i. e. impossibility to use sports and recreational services and contents of *Trambolina centar*.

#### 3) CONTACT DATA OF OFFICER FOR PERSONAL DATA PROTECTION

In case you have any question on personal data protection, you may contact our officer for personal data protection to the following e-mail address:
